The name Juliette is a girl's name of French origin meaning "little Julia".. Juliette, pronounced with the emphasis on the last syllable, adds a little something extra to Juliet. In the past years it has been rising up the chart.

Juliette: Name Meaning, Popularity, and Similar Names

Juliette is a novel written by the Marquis de Sade and published 1797 – 1801, accompanying Sade's 1797 version of his novel Justine. While Justine, Juliette's sister, was a virtuous woman who consequently encountered nothing but despair and abuse, Juliette is an amoral nymphomaniac murderer who is successful and happy. The full title of the novel in the original French is L'Histoire de Juliette ...

Born at the start of the Civil War, Juliette "Daisy" Gordon Low struggled to reconcile being a good Southern belle with being true to her adventurous spirit. Accidentally deafened, she married a dashing British patrician and moved to England, where she quickly became dissatisfied with the aimlessness of privileged life. Her search for greater purpose ended when she met Robert Baden-Powell, founder of the Boy Scouts, and was inspired to recreate his program for girls. The Girl Scouts of the USA—which can now count more than fifty-nine million American girls and women among its past members—aims to instill useful skills and moral values in its young members, with an emphasis on fun. In this lively and accessible biography of its intrepid founder, Stacy A. Cordery paints a dynamic portrait of an intriguing woman and a true pioneer whose work touched the lives of millions of girls and women around the world.

Of all venture capital funding, 2% goes to women. Of that, less than 0.2% goes to women of color. Why is that? And when the numbers work against you, how do you make an impact? How do you make your dreams come true? To be successful, first you must believe you can be successful. Think it. Manifest it. Repeat it, over and over. In "JULIETTE," Rechelle Balanzat invites readers into her world, chronicling the improbably odyssey of founding, building, and scaling a company without outside capital. Balanzat shared her process and how following her dreams helped her to find herself. "JULIETTE" explores some of the obstacles entrepreneurs face and shares a retrospective on a founder and her company's journey so far, as well as lessons to empower other entrepreneurs. While one person may not be able to bring about systemic changes they can change themselves, and show the system why change is for the better.

Reprint of the original, first published in 1869.

A relationship between the renowned author and her beloved Juliette is revealed in this series of letters that spans more than sixty years

When Juliette Kinzie first visited Chicago in 1831, it was anything but a city. An outpost in the shadow of Fort Dearborn, it had no streets, no sidewalks, no schools, no river-spanning bridges. And with two hundred disconnected residents, it lacked any sense of community. In the decades that followed, not only did Juliette witness the city ' s transition from Indian country to industrial center, but she was instrumental in its development. Juliette is one of Chicago ' s forgotten founders. Early Chicago is often presented as " a man ' s city, " but women like Juliette worked to create an urban and urbane world, often within their own parlors. With The World of Juliette Kinzie, we finally get to experience the rise

of Chicago from the view of one of its most important founding mothers. Ann Durkin Keating, one of the foremost experts on nineteenth-century Chicago, offers a moving portrait of a trailblazing and complicated woman. Keating takes us to the corner of Cass and Michigan (now Wabash and Hubbard), Juliette ' s home base. Through Juliette ' s eyes, our understanding of early Chicago expands from a city of boosters and speculators to include the world that women created in and between households. We see the development of Chicago society, first inspired by cities in the East and later coming into its own midwestern ways. We also see the city become a community, as it developed its intertwined religious, social, educational, and cultural institutions. Keating draws on a wealth of sources, including hundreds of Juliette ' s personal letters, allowing Juliette to tell much of her story in her own words. Juliette ' s death in 1870, just a year before the infamous fire, seemed almost prescient. She left her beloved Chicago right before the physical city as she knew it vanished in flames. But now her history lives on. *The World of Juliette Kinzie* offers a new perspective on Chicago ' s past and is a fitting tribute to one of the first women historians in the United States.

How did a woman with the desire to help others became the founder of the Girl Scouts of the United States of America? Born in 1860 in Savannah, Georgia, Juliette Gordon Low grew up having the finest clothes and education. She was expected to be a prim and proper lady, but Crazy Daisy--as she was nicknamed by her friends and family--preferred to climb trees, ride horses, and hike. She also tried to find ways to help people in need. She carried that caring spirit with her into adulthood and used it to develop the Girl Scouts of the United States of America in 1912. Today, Juliette's organization continues to empower young girls, improve their self-esteem, and provide them with lifelong skills and a community of sisterhood. Learn more about this strong-willed woman in this addition to the #1 New York Times bestselling series!

Burton D. Fisher's extremely popular Mini Guides feature Principal Characters in the Opera, Brief Story Synopsis, Story Narrative with Music Highlight Examples, and an insightful and in depth Commentary and Analysis of the opera.

"2012 is the 100th anniversary of Girl Scouting in the United States. This timely coloring/history book showcases Juliette Gordon Low and important places related to her life and times. Featuring 15 detailed line drawings and essays, the images are accompanied by a wealth of facts and stories about the founder of Girl Scouts as well as her beloved home state of Georgia. The text is written for older readers, but the tales make interesting telling for younger children as well. Artist/author, Merana Cadorette, is an avid Girl Scout archivist and collector." - Amazon.
